

NEUROSURGERY: The State Of The Journal

Nelson M Oyesiku, MD, PhD, FACS

*Emory University, Atlanta, GA, USA
Editor-in-Chief, NEUROSURGERY PUBLICATIONS*

NEUROSURGERY PUBLICATIONS comprise the journals NEUROSURGERY, OPERATIVE NEUROSURGERY and CLINICAL NEUROSURGERY. The journals cover all neurosurgical subspecialty areas and have achieved significant impact in the specialty. There have been considerable enhancements in the design, content and quality of the journals in the last decade. This presentation will discuss the current state of the journal.
