

## CURRICULUM VITAE

**Albert Sufianov, professor, DSc (Med)**

Chief Physician and Medical Director,  
Federal Centre of Neurosurgery (Tyumen,  
Russia)  
Professor and Chairman - Department of  
Neurosurgery, First Moscow State Medical  
University

**Date of birth** March 07, 1965  
**Official address** Federal State-Financed Institution “Federal Centre of  
Neurosurgery” of the Ministry of Health of the Russian Federation  
(city of Tyumen), Russia, 625032, Tyumen, ul. 4 km  
Chervishevskogo trakta, 5  
**Tel/Fax** +7 (3452) 293-707

### Education

1983-1989 Irkutsk State Medical Institute, M.D., general medicine  
1989-1991 Clinical residency in neurosurgery, Irkutsk State Medical Institute  
1991-1994 Full-time postgraduate study in neurosurgery, Irkutsk State Medical  
Institute, PhD in Medicine (“Candidate of Science”)  
1999 Postgraduate Medical Courses in Neurosurgery  
2001 Defended the doctoral thesis and was conferred the degree of  
DSc in Medicine

### Recently Attended Courses

October 14-18, 2013 Microsurgery of Aneurysms: Recent Advances - A Hands-On  
Cadaver Workshop. Course Director Ali F. Krisht. Saint Louis  
University, School of Medicine, St. Louis, MO, USA  
March 7-10, 2014 Advanced Course in Microsurgery of Cerebral Aneurism Hands-On  
Cadaver Workshop with Live Surgery and Life-like Simulation.  
Course Director Ali F. Krisch. Arkansas Neuroscience Institute  
(ANI), Little Rock, AR, USA  
April 3-5, 2014 Skull Base Approaches: Microscopic and Endoscopic - A Hands-  
On Cadaver Workshop. Course Director Ossama Al-Mefty. Saint  
Louis University, School of Medicine. St. Louis, MO, USA  
August 14-17, 2014 Unlocking the Cavernous Sinus: Hands-On Cadaver Workshop  
with Live Surgery and Life-Like Simulation. Course Director Ali F.  
Krisht.

October 30 - November 1, 2014	Arkansas Neuroscience Institute (ANI), Little Rock, AR, USA 37th Advanced Skull Base Microanatomy Hands-On Dissection, Course Director T. Fukushima. Stryker Homer Laboratory, Mahwah City, New Jersey, USA
February 18-21, 2018	Barrow Live Surgery Course (Demonstrative course in operative microneurosurgery) (Phoenix, AZ, USA)

**Professional Experience**

09.1991 - 08.1994	Neurosurgeon of the surgical department, Irkutsk Children Clinical Hospital
01.1996 - 10.2005	Head of Neurosurgical Department, Irkutsk Children Clinical Hospital
10.2005 - 08.2009	Senior Research Fellow, Laboratory of Environmental Problems of Oncogenesis, State Institution Scientific Center of Medical Ecology of East-Siberian Scientific Center of Russian Academy of Medical Science (city of Irkutsk) (the Center has been renamed to Institution of Russian Academy of Medical Science Scientific Center of Health and Human Reproduction of Siberian branch of Russian Academy of Medical Science)
08.2009 - 04.2010	State Medical and Preventive Institution “Tyumen Regional Clinical Hospital”, Chief of Neurosurgical Service, Deputy Chief
04.2010 - present	Physician Chief Physician and Medical Director, Federal State- Financed Institution “Federal Centre of Neurosurgery” of the Ministry of Health of the Russian Federation (city of Tyumen)
09.2014 - 11.2016	Chairman, Department of Neurosurgery with Courses in Neuroanesthesiology and Neurorehabilitation, Tyumen State Medical University, Tyumen, Russia
11.2016 - present	Chairman, Academic department of neurosurgery, First Moscow state medical university, Moscow, Russia

**Honors and  
Awards 2001**

2001	The first prize of the European Academy for Multidisciplinary Neurotraumatology
2003	The Governor’s prize in science and technology for the work “New Approach to Treatment and Prevention of Hypertension Syndrome” Award of the contest “Social Esteem 2011” in category “Professional of the Year”
2011	Award in category “Healthcare” in the annual contest “Men of Distinction of Tyumen. Top 50”
2012	The Certificate of Merit of Tyumen Regional Duma Title “Honorary Citizen of Tyumen”
2013	Award “Outstanding Healthcare Worker of Russian Federation” Title “Honorary Citizen of Vikhorevka”
2016	
2016	
2016	

**Membership and Affiliations**

Member of Editorial Board of journal “Neirokhirurgiya” (Neurosurgery)  
Member of Editorial Board of journal “Russian Neurosurgical Journal, named  
after A.L. Polenov”  
Member of Editorial Board of journal “Brazilian Neurosurgery

Member of Editorial Board of journal “Epilepsy and Paroxysmal Conditions”

Member of Executive Board of the Association of Neurosurgeons of Russia

Member of Dissertation Board at Federal State-Financed Institution “Novosibirsk Research Institute of Traumatology and Orthopaedics” of the Ministry of Health of the Russian Federation (Novosibirsk)

Member of European Society of Pediatric Neurosurgery

Chief Council of Regional Public Organization “Association of Neurosurgeons of the Tyumen Region”

Member of ACNS Executive Committee

Active member of WANS

Member of the Neuroendoscopy Committee of the WFNS

### **International Events Organized at the venue of Federal Centre of Neurosurgery**

October 3-4, 2013	1 <sup>st</sup> ACNS Educational Course supervised by Prof. Yoko Kato, President of ACNS - Co-President, Co-Chairman of the Organizing Committee
October 3-4, 2014	4 <sup>th</sup> ACNS Educational Course supervised by Prof. Yoko Kato, President of ACNS. Co-President - Co-Chairman of the Organizing Committee
July 15-18, 2015	Practical Anatomy of the Brain and Fiber Dissection Course - Co-director
October 8-12, 2015	Skull Base Surgery: “Microsurgical and Endoscopic Approaches” Educational Course with Hands-On Cadaver Workshops - Director
April 7-8, 2016	Important Issues of Pediatric Neurosurgery. Modern Techniques of Treatment for Craniosynostosis with hands-on in Endoscopic Surgical Treatment - Director
June 30 - July 1, 2016	Surgical Treatment of Epilepsy with hands-on Dissection Course” (in association with League against epilepsy) - Director
October 13-15, 2016	Skull Base Surgery and Surgery of Craniovertebral Junction - Co-director
February 16-17, 2017	Workshop in Microvascular Anastomosis - Co-director
March 2-3, 2017	Spinal Neurosurgery With Workshop In Surgical Approaches For Spinal Pathology - Co-director
March 13-14, 2017	Spinal Cord Stimulation For Pain Syndrome - Co-director
March 21-22, 2017	Minimally Invasive Spinal Surgery (Live Surgery) - Co-director
April 6-7, 2017	Important Issues Of Pediatric Neurosurgery. Modern Techniques Of Treatment For Craniosynostosis With Hands-On Workshop In Endoscopic Surgical Treatment – Course director
April 27-28, 2017	Endoscopic Techniques in Interlaminar Spinal Surgery – Course director
May 18-19, 2017	Vascular Neurosurgery With Workshop In Pathologies Of Brachiocephalic Arteries – Course director
June 1-2, 2017	Transpedicular Spine Fixation With Hands-On Course – Course director
June 28-30, 2017	Surgical Treatment Of Epilepsy With Hands-On Dissection Course – Course director
October 17	Practical drill course (pre-course for "Skull Base Surgery and Surgery of Craniovertebral Junction") – Course director

October 18-20	Skull Base Surgery and Surgery of Craniovertebral Junction – Course director
November 9-10	Endoscopic Transnasal Approaches in Neurosurgery – Course director
December 1	Groundbreaking Technologies In Neurorehabilitation For Patients With Neurological And Neurosurgical Disorders – Course director
December 14-15	Facial Nerve Surgery with Hands-on Workshop in Temporal Bone Dissection – Course director
February 15-16	Microvascular anastomosis – Course director
March 1-2	Functional stabilization - upcoming trend of modern surgical treatment for degenerative spine disease – Course director
April 3-4	International students' competition in neurosurgery for the prize of the Governor of the Tyumen region V.V. Yakushev – Course director
April 5-6	Important Issues of Pediatric Neurosurgery. Modern Treatment Techniques of spina bifida, Chiari malformation and cerebral palsy (with cadaver workshop) – Course director
April 26-27	Percutaneous endoscopic spinal technologies in neurosurgery (transforaminal surgery) – Course director
May 14-15	Groundbreaking technologies in neurorehabilitation for patients with neurological and neurosurgical disorders. Spasticity: diagnostics, treatment, rehabilitation – Course director

#### **Faculty Member in International Conferences and Courses**

February 10-12, 2015	6 <sup>th</sup> ACNS Educational Course (Bharatpur, Chitwan, Nepal)
May 16-19, 2015	7 <sup>th</sup> ACNS Educational Course (Coventry, UK)
August 25-30, 2015	PNI-KKU Skull Base Workshop (Bangkok, Thailand)
September 8-12, 2015	WFNS – 15th Interim Meeting of the World Federation of Neurosurgical Societies (Rome, Italy)
November 1-4, 2015	International Federation of Neuroendoscopy – VII World Congress of Neuroendoscopy (Puerto Vallarta, Mexico)
November 19-22, 2015	28th Annual Conference Pakistan Society of Neurosurgeons (Karachi, Pakistan)
November 20-22, 2015	1st Dandy Quadrennial Meeting in conjunction with 5th Congress of the Guld Neurosurgical Society and 3d Emirates Society of Neurosurgical Surgeons Conference (Dubai, UAE)
March 8-12, 2016	The 11 <sup>th</sup> ACNS 2016 in conjunction with the 21 <sup>st</sup> Annual Scientific Meeting of Indonesian Society of Neurological Surgeons (Surabaya, Indonesia)
May 15-18, 2016	EndoChicago (Chicago, USA)
May 26-28, 2016	12 <sup>th</sup> Congress of the European Skull Base Society (Berlin, Germany)
June 14-17, 2016	World Skull Base 2016 (Osaka, Japan)
September 1-4, 2016	6 <sup>th</sup> Biennial Meeting of the World Academy of Neurological Surgery (WANS) (Athens, Greece)
February 10-12, 2017	Minimally Invasive Skull Base Course (Karachi, Pakistan)
March 29-31, 2017	7 <sup>th</sup> International Course on Basic Neurosurgical Approaches (Arezzo, Italy)
June 7-9, 2017	Microscopic and Endoscopic Approaches to the Skull Base IRCAD

August 17-19, 2017	2017 (Strasbourg, France) World Academy of Neurological Surgery meeting (WANS) (Istanbul, Turkey)
August 20-25, 2017	16 <sup>th</sup> World Congress of Neurosurgery (WFNS) (Istanbul, Turkey)
September 2, 2017	Annual Congress of the Korean Photodynamic Association (Seoul, South Korea)
September 20-22, 2017	Baltic SEA 2017 (Greifswald, Germany)
October 31 - November 3, 2017	8 <sup>th</sup> World Congress of Neuroendoscopy (Cape-Town, South Africa)
March 1-3, 2018	3D Neuroanatomy. Brainstem intrinsic lesions and posterior fossa approaches (Alicante, Spain)
March 14-18, 2018	The 12 <sup>th</sup> Conference of the Asian Congress of Neurological Surgeons (Dubai, UAE)
March 28 - April 1, 2018	7 <sup>th</sup> SAARC – Neurosurgery Conference 2018 (Lahore, Pakistan)

### **Fields of Interest**

Minimally invasive neurosurgery

Pediatric neurosurgery

Neuroendoscopy
