

CV Prof. Dr. med. Amir Samii

Prof. Dr. med. Amir Samii
International Neuroscience Institute – Hannover
Rudolf.Pichlmayr-Str.4
30625 Hannover
Germany

Prof. Dr. med. Amir Samii was born on July 1st, 1970 in Mainz, Germany. He has graduated from Hannover Medical School and received his neurosurgical and neuroscience training at Charité University in Berlin, University of California Los Angeles and at Nordstadt Hospital Hannover. He did his fellowship in skull base surgery with Prof. Madjid Samii.

Currently he is Vice President and Deputy Medical Director of the International Neuroscience Institute-Hannover, Head of the “Intraoperative Mapping and Visualization of the Human Brain” Program of the Leibniz Institute for Neurobiology-Magdeburg and Professor of Neurosurgery at Hannover Medical School.

Prof. Amir Samii published more than 150 peer reviewed scientific paper and has editorial functions in numerous journals. He is a fellow of the Leibniz Institute for Neurobiology and received the honorary membership from several international neurosurgical societies and is honorary professor of the Burdenko Institute in Moscow.

He has worked on the surgical integration and scientific evaluation of neuronavigation and intraoperative visualization for more than 20 years. Furthermore, he is specialized in skull base surgery and in neuro-oncological surgery. He is also known for his work in the field of hearing restoration with neurobionic implants.

CV Prof. Dr. med. Amir Samii

EDUCATION

- 1989-1995 Medical School Hannover, Germany
- 11/1995 MD, Medizinische Hochschule Hannover (Hannover Medical School), Germany
- 2/1997 Defense of Dissertation, receiving the academic degree of *Dr. med.* (doctor medicinae) at Hannover Medical School
- 1996-2003 Residency in Neurosurgery
- 1/96-6/97 Department of Neurosurgery, Charité – Humboldt University, Berlin, Germany
- 7/97-7/99 Brain Research Institute and Division of Neurosurgery, UCLA, Los Angeles, USA
- 9/99-4/03 Department of Neurosurgery, Klinikum Hannover, Germany
- 4/2002 Habilitation (professorial thesis) in Experimental Neurosurgery at Hannover Medical School receiving the *venia legendi* (permission for lecturing) and the academic title of *Privatdozent, Associate Professor*

BOARD CERTIFICATION

- 5/2003 Full board certification in neurosurgery with national license
Ärztammer Niedersachsen, Hannover, Germany
(Medical Association of Lower Saxony)

PROFESSIONAL ACTIVITIES & EXPERIENCE

- since 7/2014 Head
Intraoperative Mapping and Visualization of the Human Brain-
Program,
Leibniz Institute for Neurobiology, Magdeburg, Germany
- 09/2017-present Member of the Administrative Council (Treasurer)
World Federation of Neurosurgical Societies (WFNS)
- 9/2013 - 8/2017 Member of the Administrative Council (Asst. Treasurer)
World Federation of Neurosurgical Societies (WFNS)
- 4/2009-present Professor of Neurosurgery
Hannover Medical School, Germany
- 1/2008-present Vice-President and Deputy Medical Director
International Neuroscience Institute-Hannover, Germany

CV Prof. Dr. med. Amir Samii

- 1/2008-present Co-Director
Clinical Neuroscience Lab (CNS-LAB)
International Neuroscience Institute-Hannover, Germany
- 2/2008-present Director
Residency Program for Neurosurgery
(licensed by the Medical Association of Lower Saxony)
International Neuroscience Institute-Hannover, Germany
- 7/2007-present Co-Director
Image Guided Surgery and Intraoperative MRI Center
International Neuroscience Institute-Hannover, Germany
- 01/2007-9/2013 Chairman
“Neurosurgical Technology Committee”
World Federation of Neurosurgical Societies (WFNS)
- 5/2005-3/2009 Associate Professor of Neurosurgery
Hannover Medical School, Germany
- 1/2004-7/2014 Vice-Chairman
Department of Neurosurgery
International Neuroscience Institute-Hannover, Germany
- 5/2003-12/2003 Attending Neurosurgeon (Oberarzt)
International Neuroscience Institute (INI) – Hannover, Germany

Membership in professional associations and societies

German Society for Neurosurgery
(Deutsche Gesellschaft für Neurochirurgie)

German Skull Base Society
(Deutsche Gesellschaft für Schädelbasischirurgie)

Professional Association of German Neurosurgeons
(Berufsverband Deutscher Neurochirurgen)

German Society for Computer and Robot Assisted Surgery – Founding Member
(Deutsche Gesellschaft für Computer- und Roboterassistierte Chirurgie, CURAC)

Euroacademia Multidisciplinaria Neurotraumatologica – EMN

European Association of Neurosurgery (EANS)

Editorial Activities

2011-present	Advisory Board, Neurosurgical Review
2013-present	Section Editor, World Neurosurgery
2014-present	Editorial Board, Archives of Neuroscience
2015-present	International Advisory Board, Indian Journal of Neurosurgery
2015-present	Editorial Board, Iranian Journal of Neurosurgery
2015-present	Deputy Editor, International Neuroscience Journal
Ad hoc reviewer	Journal of Neuro-Oncology, Neurosurgery Journal of Neurosurgery, Acta Neurochirurgica Journal of Neurology, Neurosurgery & Psychiatry

SELECTED HONORS AND SPECIAL AWARDS

07/2017	Honorary Member of the Italian Neurosurgical Society
10/2015	Honorary Member of the Serbian Society of Neurosurgery
07/ 2014	LIN-Fellow at the Leibniz Institute for Neurobiology, Germany
10/2013	Honorary Member of the Southeast European Neurosurgical Society
12/2013	Honorary Professor, Burdenko Institute, Moscow, Russia
01/2013	Invited Member of the Chinese Medical Doctor Association
01/2013	Honorary Member of the Chinese Congress of Neurological Surgeons
