

Henry W. S. Schroeder, M. D., Ph.D.
Ernst Moritz Arndt University
Department of Neurosurgery
Sauerbruchstr.
17475 Greifswald
Germany

C U R R I C U L U M V I T A E

- January 28, 1963 born in Prenzlau, state of Brandenburg, Germany
- 1969 - 1981 Polytechnical Highschool at Prenzlau
- 1981 - 1983 Military Service
- 1983 - 1989 Study of medicine at the Ernst Moritz Arndt University at Greifswald
- 1989 - 1996 Resident at the Department of Neurosurgery of the Ernst Moritz Arndt University
- 1990 M. D. Graduation
- 1996 Board Certification as Neurosurgeon
- 1997 Member of the German Society of Neurosurgery
- 1997-2001 Member and Secretary of the German Society of Endoscopic Neurosurgery and Neuronavigation
- 1998 International Member of the Congress of Neurological Surgeons (USA)
- 2001 Ph.D. Graduation, Associate Professor of Neurosurgery
- 2003- 11/2004 Acting Chairman of the Department of Neurosurgery at Greifswald University
- 2004 Professor of Neurosurgery and Chairman of the Department of Neurosurgery at Greifswald University
- 2005 International Member of the American Association of Neurological Surgeons (USA)
- 2006 Certification in neurosurgical intensive care
- 2007 Member of the Executive Board of the International Federation of Neuroendoscopy
- 2009 Member of the scientific board of the German Society of Skullbase Surgery
- 2009 Member of the Endoscopy committee of the WFNS
- 2011 Member of the German Academy of Neurosurgery

-2014-2017 Chairman of the Neuroendoscopy committee of the WFNS

- 2017 President-Elect International Federation of Neuroendoscopy

Grant:

Grant (1994-1998) from the German Research Foundation (DFG) for experimental work in the field of neuroregeneration

Grant (2004-2005) from the German Research Foundation (DFG) for robotic and neuronavigation in endoscopic neurosurgery

Main operative interests:

- Endoscopic Neurosurgery (hydrocephalus, cysts, intraventricular lesions)
- Endoscope-assisted skullbase surgery (meningiomas, vestibular schwannoma, epidermoids)
- Endoscopic endonasal skullbase surgery
- Epilepsy surgery
- Peripheral nerve surgery
- minimally invasive neuronavigation-guided brain surgery

November 11, 2017

Henry W. S. Schroeder, M. D., Ph.D.
Professor and Chairman
